EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Greg Vickers on 4 October 2005.

The application has been amended as follows:

In claim 48, line 12 (last line): replace "overlying" with --slideable on--.

Cancel claim 52.

In claim 53, line 12 (last line): replace "overlying" with --slideable on--.

The following is an examiner's statement of reasons for allowance:

In the examiner's opinion, the closest prior art (as exemplified by Nagata and Smith et al) neither discloses, nor fairly suggests, the third ring slideable on the first and second rings and at least partially covering the gap between the first and second rings.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
